

Mrs Alison Jordan

Head of House Keera

Head of Program Senior Schooling

Vocational Education and Training

rlee117@eq.edu.au

Qualifications:

Diploma of Teaching Secondary Home Economics

Welcome to Calamvale Community College. It is such a great privilege to be part of the Calamvale Community team. I completed a Diploma of Teaching Secondary Home Economics, working in Logan District for 25 years before joining Calamvale College in 2015. Currently I am the Head of Program Senior Schooling and Vocational Education and Training. I also have the great honour of leading Keera House in the Secondary School fulfilling the role of Head of House Keera. I am very passionate about ensuring all students have a positive school experience and are able to develop a broad range of skills to enable them to thrive as young adults who are able to reach their potential. I encourage students to become the best that they can be by becoming an active participant in their learning journey.
