Qualifications:

Bachelor of Business (Accounting)

CPA

Graduate Diploma in Education (Senior Years)

Certificate IV in Training and Assessment.

I joined Calamvale Community College in 2013 after 10 years as a Management Accountant in various private sector corporations. My skills have lent themselves to several teaching areas including Maths, Accounting, Legal Studies and Business where my experience in the real world can help provide a different perspective to students. I believe in the power of curiosity to empower students to take charge of their learning.
