

Mr Blake Bunn

*Physical Education,
Certificate III in Fitness & Science*

Btbun0@eq.edu.au

Qualifications:

Bachelor of Education (Secondary) – Health and Physical Education, Biology
Certificate III & IV Fitness, Certificate IV Training and Assessing

I started at Calamvale Community College in 2017. My current teaching areas are Certificate III Fitness, Health and Physical Education and Science. I work closely with the Athlete Development Program, currently teaching the year 9 Athlete Development Module and am the current Sports Co-coordinator.

As an educator for adolescents with a background in fitness, I strive to bring and instil a growth mindset for all students whilst fostering the positive development of today's youth. I highly value creating positive relationships with students and understanding what motivates them so I can help them succeed in their chosen pathway.
