

Mrs Emma Stott-Leggat

Drama and Physical Education Teacher

estot3@eq.edu.au

Qualifications:

Bachelor Creative Industries (Drama)
Bachelor Education (Secondary)

Over the last 15 years as a secondary teacher, I have enjoyed working with students in a variety of contexts, from subject disciplines such as Drama and English, through to developing my knowledge and practise within Health and Physical Education. I have been involved in QCAA Senior Drama moderation and verification processes for a number of years, including acting as Drama Panel Chair for the Brisbane South region in 2014/2015. I am passionate about coaching and mentoring athletes through my work in the highly successful extracurricular Competitive Cheerleading program here at Calamvale Community College, and strive to educate the 'whole' student and support their personal development as they grow into young adults.
