Joining Calamvale Community College for 2019, it is my privilege to be a part of the Arts faculty, teaching secondary education music. With over 8 years of music related experience, I have acquired a Bachelor of Contemporary Music and Performance, a Diploma of Education and completed an internship with Harvest Rain Theatre Company.

It is my ambition to instil a sense of music appreciation while teaching students about technical aspects and concepts within music. As a passionate music teacher, I strive to expand students' knowledge for lifelong learning and inspire through creativity to shape their identity. This year, I will be fostering inquiry based learning to create authentic learning experiences, expand knowledge and develop 21st century learning skills such as collaboration, communication, critical thinking, problem solving and creativity. I focus strongly on student centred learning to evoke curiosity and assist student diversity; to encourage students to reach their full potential throughout all musicology, composition and performance dimensions.
