Qualifications:

Bachelor of Education (Secondary)

I have taught in state schools for over 20 years, spending 15 years at CCC specialising in Senior English and the APEX program. This year, I am teaching Year 10 General English, Year 10 Language and Literature Preparation (IB), Year 11 General English, and Year 12 OP English, as well as the final year of the QCS Test Preparation Course. I believe in setting high expectations regarding achievement and conduct. It is important to me that students seek to improve academically, and also strive to become kind, considerate members of the college community who show respect for themselves and others. My focus is on providing students with the skills they need to succeed in the classroom now, and to continue learning in the future.
