

Mr Rasheed Basha

Maths and Science Teacher

rbash9@eq.edu.au

Qualifications:

Diploma in Education
Bachelor of Science
Postgraduate Certificate in Education
Postgraduate Diploma
Master of Science

I have been teaching at CCC since 2010. My teaching areas are Maths and Science.

I believe effective teachers tend to have similar characteristics: enthusiastic, creative and positive. You can express these characteristics in different ways, but typically this means that you truly want to be in classroom and see your pupils learn and excel.

Being organized in the classroom is another key element of an effective teacher.
