

Mr Robert Schwarzbauer

Mathematics and Science

rschw15@eq.edu.au

Qualifications:

Bachelor of Science
Bachelor of Education

I teach Mathematics and Science. I have been teaching at Calamvale Community College since 2009 and have taught both interstate and in the private sector. I have enjoyed watching this college develop into the great school it has become over the past years and I am thankful to have been part of this process.

I believe one of the fundamentals to good teaching practice is building positive relationships with both students and parents. Using this solid foundation, we are able to work towards achieving the best outcomes for all students. I look forward to another great year at the college in 2019. Please feel free to contact me if you have any questions.
