Qualifications:

Bachelor of Education (Secondary) Drama and English

I am an enthusiastic English and Drama teacher who has taught at Calamvale Community College for over 10 years. During my time at the college, I have taught a wide range of students from Year 7 to Year 12. I have spent time teaching students who need learning support and feel passionate about inclusivity. I strive to encourage my students to think without telling them what to think and endeavour to build positive student-teacher relationships. I am a great lover of reading and The Theatre. This year I will be teaching Year 10, 11, 12 English, and extracurricular Drama. Through engaging lessons and a positive approach, I aim to improve my students Literacy levels as well as instil a love of Literature and The Arts.
