

# Ms Inderpreet Virk

Senior Biology, Junior Secondary Science  
Junior Secondary Maths

[ivirk0@eq.edu.au](mailto:ivirk0@eq.edu.au)

## Qualifications:

Bachelors of Education  
Diploma of Dental Technology

I have been teaching at CCC for the last four years. My teaching areas are Senior Biology, Junior Science and Junior Maths. My philosophy of education is to create a safe, friendly environment where each student in my care is given the opportunity and is enabled to become lifelong thinkers and learners in a 21<sup>st</sup> century learning environment. My hope for each student is to work to their potential and achieve their personal best on a daily basis. To **“Build onto the Success”** that already lives inside each of them. I aim to encourage my students to take on greater responsibility for their learning and for their belongings.
