

Mrs Natasha Cameron

English and Humanities Teacher

nlame3@eq.edu.au

Qualifications:

Bachelor of Education (Secondary)

With over 17 years of teaching experience behind me I have developed a passion for teaching in a variety of areas. For the last six years my focus has been on literacy, developing student's knowledge and understanding of different genres and hopefully a passion for reading and creative writing. Part of my teaching role is to assist students in fostering and creating an interest in social awareness, as well as, environmental issues through the English and Humanities departments. I look forward to working with you and your child in the coming year.
