### Average class sizes

Table 2: Average class size information for each phase of schooling

Year Levels	2019	2020	2021
Prep – Year 3	23	23	23

#### Notes

1. Classes are measured against the target of 25 students per teacher in Prep to Year 3 and Years 11 to 12, and target of 28 students per teacher in Years 4 to 10. Where composite classes exist across cohorts (e.g. Year 3/4) the class size targets would be the lower cohort target.

## Social climate

---

### Respectful relationships education

To support students' learning, health and wellbeing all state schools are required to implement respectful relationships education through the Prep to Year 10 Australian Curriculum: Health and Physical Education and/or through school pastoral care programs across Prep to Year 12.

### Parent, student and staff satisfaction

Tables 3–5 show selected items from the Parent/Caregiver, Student and Staff School Opinion Surveys. In response to the COVID-19 health emergency, the annual school opinion surveys of students, teachers and staff were not administered in 2020. A new time series started in 2021 and data from this collection is not considered directly comparable with earlier collections due to significant methodology changes.

For state level information go to the [School Opinion Survey webpage](#).

## Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enforcing Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism.

## School disciplinary absences

Table 6: Count of school disciplinary absences at this school

Type of school disciplinary absence	2019	2020	2021
Short suspension	139	163	225
Long suspension	13	10	13
Exclusion	5	7	8
Cancellation	6	5	13
Total	163	185	259

### Notes

1. School disciplinary absence (SDA) data is a total of short suspensions (1–10 days), long suspensions (11–20 days), exclusions and cancellations.
2. The number of SDAs is not the number of students who received an SDA as one student may be suspended several times in a school year. Each time a student is suspended it is recorded as an additional SDA. The data does not reflect the outcomes of appeal decisions.
3. 2020 data was impacted by the COVID-19 health emergency. There were significantly fewer SDAs during the home-based learning period (the first five weeks of Term 2) compared to other years.

To be eligible for registration, a person must satisfy the Queensland College of Teachers (QCT) that they meet requirements regarding qualification and experience, or have otherwise met the requirements of the *Australian Professional Standards for Teachers* (APST). A person must also satisfy the QCT that they are suitable to teach and meet English language proficiency requirements. - (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

### Notes

1. The 2020 cohort was the first to complete Year 12 under the new senior assessment and tertiary entrance system. The new system has redeveloped senior syllabuses, strengthened school-based assessment, introduced a common external assessment in each senior General subject area and General (extension) and replaced the OP rank with the Australian Tertiary Admission Rank (ATAR). This represents a break in time-series for the Queensland Certificate of Education.
2. ATARs are calculated by Queensland Tertiary Admissions Centre (QTAC). ATAR data is not held by the department.
3. Prior to 2020, visa students (students who are not Australian citizens or permanent residents of Australia) were excluded. From 2020 visa students are included.
4. Data for each year is the latest available.

## Student destinations

---

The Queensland Department of Education conducts [annual surveys](#) that capture information about the journey of early school leavers and Year 12 leavers from school to further study and employment.

### Early school leavers

Schools work closely with a range of external agencies to support students who left school early.

Our Principal, Deputy Principal, Regional Transitions Officer or Guidance Officer liaises with early school leavers and their parents, providing a service 'beyond the school gate' to assist early leavers make a successful transition to other educational pursuits or employment.

### Next Step – Post-school destinations

The results of the 2022 *Next Step* post-school destinations survey, *Next Step – Post-School Destinations* report (information about students who completed Year 12 in 2021), will be uploaded to this school's website in September 2022.

To maintain privacy and confidentiality of individuals, schools with fewer than five responses will not have a report available.

This school's report will be available at <https://calamvalecc.eq.edu.au>.

Post-school destinations information is also available via the [My School](#) website.
