

Investing for Success

Under this agreement for 2022

Calamvale Community College will receive

\$1,142 727*

This funding will be used to

- Continue to provide a greater level of language support for bilingual students acquiring English
- Effectively support student who have a disability to fully participate in an inclusive learning environment
- Continue to provide diverse courses that are responsive to the local community's need

Our initiatives include

1. A commitment to inclusive education by training all College staff in the Universal Design for Learning practices with the expectation of embedded practice by the conclusion of 2022. This initiative is a continuation of the 2021 AIP focus and a response to staff and community requests The UDL perspective will address the needs of up to 15% of students without a verification but whose learning diversity impacts their success.
2. Recognition that students with disabilities who function within a fully inclusive environment require additional support to enable them to maximise their potential, live with dignity and the access the full range of opportunities available to all students within the College.
3. Provision of language acquisition support to ensure all students are able to access to educational opportunities
4. Programs that acknowledge and augment students' diverse cultural and language backgrounds.

Our school will improve student outcomes by
