

Ms Ariel Tseng

Chinese and IBDP Teacher

atsen6@eq.edu.au

Qualifications:

Bachelor of Art in Library Science and Educational Media
Bachelor of Education in Secondary and Primary LOTE

Over the last 14 years I have been teaching in both State and IB language curricula in Australia. This is my fifth year working at Calamvale Community College. At present, I teach Junior Secondary Chinese and IBDP Chinese ab initio and stander level. I enjoy teaching at CCC and weave everything language, culture, geography, history, philosophy, art, music, games, rhythm, current events – into a framework that helps students develop a context and their own passion for learning Chinese. My ultimate teaching goal is to cultivate our students with the appreciation of our multi-cultural society and the ability to use Chinese language for the fast-growing need of the global market.
