

Ms Kara Vidler

*Business, Legal studies, Humanities
Geography, History, Social and Community Studies*

kxvid0@eq.edu.au

Qualifications:

Bachelor of Business Communications

Graduate Diploma – Secondary

I joined Calamvale Community College in 2014 after 15 years working in a variety of roles ranging from customer service training to project management in the public and private sector. My work skills have lent themselves to several teaching areas including, Business, Legal Studies, Humanities and English.

My pedagogical approach is evolving as I continue to grow on my own teaching journey. I strongly believe in creating a safe learning environment for all students to ensure students feel comfortable to explore their own learning journey. I also relish in the flipped classroom-learning environment. I believe this approach encourages students to work at their own pace at home and fosters reflection, collaboration, curiosity and creativity in the classroom.

I apply my real world experiences with curriculum to ensure students make connections to the real world of work. I believe the ever-changing work environment will require students to be strong communicators, collaborators, curious, adaptable, and creative problem solvers.
